USES OF VOERMOL VOERMOLAS

Voermol Voermolas can be used in the place of normal molasses as follows:

i) Energy rich raw material

Use as a source of energy in balanced animal feeds at an inclusion rate of between 15 % and 20 %.

ii) Energy supplement

Use as an energy supplement at a rate of 1.5 kg/day for cattle and 250 g/day for sheep.

iii) As a binder in rations

Add 7.5 % to 10 % to rations to increase palatability, reduce dust and act as a binder in pelleted feeds.
